

THE PRESERVE AT BARTON CREEK

Gate Code Request Form

Homeowners who request a four-digit entry code will also have their names listed in the keypad directory. This is tied to a landline telephone so residents, if they wish, can open the gates from their homes.

Accordingly, owners who want to be able to open the gates using the keypads or using a landline telephone number are asked to provide the information requested below.

Name: _____

Address: _____

Phone Number: _____ Request dial up entry: _____yes _____no

Personal Entry Code Requested: _____ (Must be 4 digits)

Vendor Entry Code Requested: _____ (Must be 4 digits)

PLEASE NOTE: Personal entry codes have 24 hour unrestricted access. All code usage is continuously monitored and recorded by the entry controller. As such you are responsible for your personal entry code and should be careful to whom it is given.

I have read and understand the Preserve at Barton Creek Entry Gate Code Procedures. I understand that the gate is a controlled access gate, not a security gate. I understand that I am responsible for the gate codes that are assigned to me. I have need for the codes requested and for access by non-residents.
